Leading in
farrowing systems

A warm
holiday for
everyone

Thanks to your
'Christmas' Piglets

Make it a warm Christmas for everyone, thanks to your 'Christmas' piglets

This year you were there again for your piglets 24/7 and worked with passion on your farm. Vereijken is proud to work with such dedicated customers. You really can say with pride: **'Great pork originates here'.**

Vereijken is proud of the pig farming sector and believes we can share the warm feeling in your barn with others. Because we need something to make us smile, as coming together to enjoy Christmas markets, mulled wine and living nativity scenes will not be easy this festive season.

Luckily there is enough new life to enjoy in your farrowing barn!

Share the warmth in your barn with an amazing Christmas photo

Post a festive Christmas photo of your piglets in your living nativity scene on social media before December 23 using the hashtag **#greatporkoriginateshere** and bring the warm spirit of Christmas to others.

Did you take the best Christmas photo?

On December 24, Vereijken will share which winning photo has won a professional family photo shoot in their own barn. This photo will be taken between Christmas and New Year's Eve.

Together with our distributors we are giving away 50 Christmas decoration packs to transform your barn. This pack contains:

A jute rope with lighting

A jute sack

Two Christmas hats with Great Pork Originates Here

Tony Chocolonely chocolate bar

Like to join in?

Sign up here at <https://vereijkengroup.com/christmas> We will send the pack to you immediately.

On behalf of everyone at Vereijken and our distributors, we wish you a very warm Christmas.

Stay healthy and enjoy the festive season!
